### Current Prayer List

Several families continue to be quarantined because of COVID.

Dave Miller got some wonderful news - HE IS DONE WITH DIALYSIS.

Eugene Allen has decided against receiving hospice. He feels his family is taking good care of him and his condition is about the same. He has a doctor's appointment with a urologist in February.

Tim Peckham was in town for a follow-up on his lung cancer and got a good report -there was no new growth.

Continue to pray for all those with ongoing health concerns:

Ben Benware, Ed Broderhausen, Tom Long, Paula Miles, Ryan Raymond, Leah Liles, Yvonne Johnson's daughter Vicki Horn, Jean Seyfert's grandchildren, Sharon Adair's nephew Clay, Dena Burns & Vera Ball.

### An Opportunity To Do Good - Galatians 6:10

We at the Community Hope Center are OUT OF BLANKETS!!! If you have any blankets you would like to donate, please bring those Sunday and place them in the Sharon Adair black barrel in the storage room across from the Fellowship Hall . You may also drop them by the Community Hope Center.

Thank you in advance for all your help!

Sharon Adair

Thank you to everyone who gives so generously. Due to the financial support everyone gives at Vaughn Hill we were able to help a young man in foster care. The church was able to provide toiletries, bedding, towels, an alarm clock, and a few extras to a kid that has nothing. Please be praying for this young man to overcome his addictions and that God places him with a family that will give him the support that he needs.
